Epiphany of the Lord

Dear Superiors of all the Oblate Units

Happy Feast of the Epiphany of the Lord and my greetings and the greetings of all the members of the Central Government, along with our congratulations for this Christmas season. May the Lord who has manifested himself as the light of the world bless us in our mission to be his pilgrim witnesses of hope in communion.

Most of you participated in the Chapter where we made a firm commitment to be active animators of the post-Chapter period, a commitment that I invite all the Superiors of our Oblate Units to embrace. With this letter, I come to offer you the main instrument for this post-Chapter animation. It is the document, **not yet official**, of the Acts of the General Chapter "Pilgrims of Hope in Communion".

In fact, it is not yet official because we are still waiting for the response of the Dicastery of Consecrated Life on the changes in our Constitutions and Rules. Therefore we cannot yet print it and publish it in an official way.

However, we felt that we can share it with you so that you can use it for the animation of Oblates and other members of our charismatic family as you see fit. We ask however that whenever you use it and share it, please let it be known that it is not yet the official document which will be published as soon as we receive the response from the Vatican Dicastery.

Let us walk with Mary, St. Eugene and the Blessed Oblates so that this post-chapter time may be received by all as a missionary grace to live our vocation as pilgrims of hope in communion. May the Lord bless us all and be with us on our way !

On behalf of all the members of the central government:

Luis Ignacio Rois Alonso, OMI

Superior General
